All testers must complete an in-person training. Testers and learners arrange to meet at a local library.

The commitment to being a test administrator is different than that of a tutor. A tester is called on an as-needed basis – usually 2- 3 times a month, so this is a perfect opportunity for someone who cannot commit to weekly tutoring but would still like to volunteer.

There are 2 different tests and training. One is a reading test for basic literacy learners and the second one is an oral assessment for English language learners. Both require an initial 6-hour training.

After receipt of your application, we will contact you to discuss further details.
